

Dear Friends, Supporters, Colleagues,

For a few weeks we have sent prayer notes, just to keep you uptodate with developments in our ministry and personal situation, as we were in need of prayer. But it is time to send a regular newsletter once more. And we are focusing on a topic on which we seldom write, namely our publication efforts, in the context of the Nigerian university.

The listing mentions a few of our recent publications, as well as some publications by colleagues, but from time to time we hope to add to that so you can get a more complete picture of a rather important aspect of our work here.

In that connection we also want to let you know that we have just opened a website, <<http://awhelleman.com/>> and in the near future we hope to post some of our publications that might be of interest but not easily accessible.

The prayernotes with photo illustrations are posted on the blogspot: <http://hellemannews.blogspot.com/>. Since we last wrote you we have posted the communique and photos of the February NABIS conference in Jos, and are in the process of adding the recent prayernotes with photos.

Blessings,
Adrian and Wendy Helleman
